

God of the earth is the God of the Heavens,

He is our God, the God who sends the heavy to hell;

God is a God of light, the light of the kingdom of heaven,

Who gives rest to the weary and those of the earth who are well.

.

The earth turns in space and is just a planet in the universe,.

That God blesses and treasures who touches or lectures in universities;

And God is a Great God Almighty to save and uphold,

To those who want safety and worry treasure and Gold.

.

God is a God of forgiveness and judgement of peril,

Who lives through all life for each and each individual in trouble;

And God is the best God who reaches down and helps the humble,

Who lives up on high and reigns supreme to save those who stumble.

.

To God of heaven I know blesses and enriches the righteous,

Who gives food to the hungry and has faith in repentance;

The God of heaven is the Greatest God who lives forever,

No matter how bad the situation he helps the poor all weather.

.

Then whether you have been Good or Bad or sometimes lonely,

He comforts the meek and teaches the sinner it's not me only;

So the God of heaven grants peace to those who trust in Him,

And the God of Heaven blesses people who believe things not dim.

.

Well God is the God of healing for those who hold onto the end,

Who see clearly the purpose and have heart to be his friend,

Now the God of heaven is the word of all eternal life,

And God is the God who suffers trouble to end all strife.

.
