

I am my God and my God is me,

If you're like me, you are life God;

I am, is Jesus and God is his God,

If you are my God then my God is, I am.

.

Now Jesus comes from God and I am really me,

And if I am really me how can you be my God;

For I love my God and if I am is God like me,

If God is my God is Jesus who is I am like me?

.

And if I am like me you are a lot like you're God,

Because you're God is like you and you're like I am;

But if I am like you then you are not my God,

If God is I am then he is a lot like us.

.

So if I am smart like you then I am like God,

And if God is as I am then I mean I'm like you;

Because if I like God, God is always as I am,

While even though I am just a child of God like you.

.

I am my God I say then well I must be a lot like you,

Because when I look at God I see myself as I am;

And if I am like God then you are a lot like you,

As I am my God and God wants me a lot like you too.

.

If I want to be like Jesus then I am a lot like you're God,

And God is a lot like Jesus and you are a lot too;

But if I want to be a lot like God I have to be like Jesus,

For when I am my God, I am a lot like you too.

.

Signed,

Awe or are all.
