

No way known I'm going to leave this unwritten,

No way known I'm going to get out of bed to write this;

No way known I'm going to leave it 'til tomorrow morning,

No way known I'm going to do it but I did.

.

No way known I'm going to have sex before marriage,

No way known I'm going to kill anyone on earth;

No way known I'm going to fly around the world again,

No way known I'm going to have enough to pay for all I want.

.

No way known I'm going to steal, rob or thief,

No way known I'm going to know what to do;

No way known I'm going to miss out on going to church,

No way known I'm going to read by every single being

.

No way known I'm going to drown or commit suicide,

No way known I'm going to go hungry forever;

No way known I'm going to turn myself into an animal,

No way known I'm going to not live a long time.

.

No way known I'm going to be a homosexual,

No way known I'm going to have sex with a prostitute;

No way known I'm going to look any younger than I am,

No way known I'm going to stop aging and live on.

.

No way known I'm going to finish writing all this down,

No way known I'm going to lead the impossible to man;

No way known I'm going to read every book I'm meant to,

No way known I'm going to live my whole life on my own.

.

Signed,

Know the way
