

Peace be with you from the top of my head to yours,

Peace be with you when the sun doesn't shine and it pours;

Peace be with you when times are dark and in your strife,

Peace be with you when your mind is cloudy in life.

.

Peace be with you when things don't seem to be going good,

Peace be with you when people don't do as they should,

Peace be with you when the world is full of trouble,

Peace be with you when the turmoil seems to double.

.

Peace be with you when you're down and at your worst,

Peace be with you when all the other things want you first;

Peace be with you when there's woe and stormy weather,

Peace be with you when you doubt which way is whether.

.

Peace be with you when time is against all odds,

Peace be with you when money must all be Gods;

Peace be with you when the problem gets you're down,

Peace be with you when there is not a hope in town.

.

Peace be with you when everything else looks wrong,

Peace be with you when so very much takes so long;

Peace be with you when you're dead and go to heaven,

Peace be with you when dinner is not 'til eleven.

.

Peace be with you when every each thing costs so much,

Peace be with you when you're humble and no luck as such;

Peace be with you when all the best of earth is done,

Peace be with you when you go home to God as one

.

Signed,

Peace from me
