

Meaningful it is,
Said one man unto another;
Meaningful yes indeed,
Answered the man unto his brother.

Meaningful to me,
Said God unto the man;
Meaningful it indeed,
Said God unto his brother.

Meaningful to see,
Said the women to the man;
Meaningful said she,
To understand another.

Meaningful to God,
Said the man unto the woman;
Meaningful to me,
Said the woman to her mother.

Meaningful to she,
Said the woman to her God;
Meaningful indeed,
Said God unto the mother.

Meaningful to all,
Said God to man and women;
Beautiful to God,
That they understand each other.

Signed,

If an apple has meaning
