

A cat or two,  
Lemonade;  
The long wooden table,  
Of which was made.

Country air and atmosphere,  
Inspiration writing;  
Starts to appear,  
Antiques the word in grade.

A door bell rings,  
The grass is green;  
Rocks to stairs,  
A wall will mean.

Long time on earth,  
Short time just here;  
Away to smell,  
The price so dear.

Fresh and clean,  
The meaning dawn;  
The day is done,  
We wait till morn.

Another day,  
The sun will rise;  
The sun will set,  
The same with eyes.

Signed,

A verse of heart
