

Malnutrition could be a manifestation of manufacturing,

Or there might be a manifest to taking food to Africa;

The manifold may mainly infect disease from Germany,

So the truth of the manifestation may actually be anything.

,

Australia & New Zealand relies on and follows America,

Manifested by the English, like Japan is east of continents;

North and South are like each other of the two hemispheres.

So is mans fact affected by the earth's orbit in space?

.

Manifestation is like a resource of evolution to creation,

Where trains stop and pick up people from the station;

And that means transport and work, wages and stages,

As these words go down in ink on the white pages.

.

Income, salary are manifestations for weddings and marriages,

As the people get to the city or church in carriages;

And the manifestations of people are family, kids and school,

So as is the perfection selection of keeping the golden rule.

.

Cars are like buses and boats are like trailers,

And if you're camping you'll need a tent or a caravan;

And that is like that and they and this are manifestations,

Of a good job and hard work for successful vacations.

.

Motors are Motels are manifestations of money,

Which require it by night and all days that are sunny;

And the choice we are making is a manifestation of sin,

And the decision that you make decides if you win.
