

The lord called me early one morning,
To stand and be by his side;
To live a life of victory,
To return my life new birth.

Jesus my lord I am ready,
I want to be like you always;
You see Lord you showed me your way,
The light that would always be my guide.

So I entered to the water excited in heaven,
To become your pureness and holiness in me;
I came out of the water believing,
That your spirit came like God into me.

I said Jesus I love you is that all I can be,
And you told me to go into all the world;
To tell all the people what they could be,
That they may know a loving saviour and live their life for thee.

So it has been a blessing in my life,
And he can let it be a victory for you;
I worship now, I worship just for you,
In the mind of the Father Son and Holy Spirit.

Now in the spirit of Jesus I change,
I live to live my life your way;
I live to live your word in my life,
My life has been changed The Jesus way.

Signed,
