

Well all live on,  
When the sun hasn't shone;  
And paradise is in the future,  
The time will come as one God's son,  
Lead our soul and kindly nature.

And many a day,  
Will be trouble to pay;  
And many a mortal hour,  
That encourage us to seek him,  
For we know he has the power.

So what you like by daylight,  
And see you sleep well at night;  
For life and the resurrection,  
Must now establish the right connection,  
Of Jesus Christ Gods full perfection.

Suffer we must follow in his shows,  
And try and steer clear of the beer and blues;  
A drink or two is not that wrong,  
For heaven is more than water and song,  
And make it count you're whole life long.

It's the time and the place for good life,  
A marriage for keeps with your true wife;  
Believe in yourself and read the bible,  
For the answers are there for all to know,  
And in the end I guess we all are liable.
