

Young and willing,  
Heart to serve;  
Intelligent mind,  
Smart as well.

The idea to think,  
To pick and win;  
Something quick,  
Slight and thin.

Me a man,  
So Christopher is;  
Pen in hand,  
The god of his.

Time to learn,  
Ten men will say;  
That things are done,  
In Christopher's way.

When people concern,  
His will to love;  
The depth to fathom,  
Is the life to give.

A miracle child,  
Born bright to try;  
That perfect pureness,  
No idea as why.

Signed,

Darel
