

God is good and God is holy,

But only to those who follow him souly;

Heaven is the place he has in store,

And that is like paradise and is perfect I'm sure.

.

We live on earth and go through hell,

To get to the place where all is well;

There's not much more that you can want in life,

Than eternity with Christ in perfect paradise.

.

On earth there's problems and things that cause strife,

But in paradise there's nothing but eternal heaven and life;

Nothing goes wrong and things are all right,

And life is like water and love is like light.

.

Perfect paradise is the goal and the hope that we share,

And through dreams and visions comes the answer to prayer;

The joy and the beauty of what God has in store,

Is worth all the waiting because there's always still more.

.

So in perfect paradise we will all be answered one day,

With the answer to the questions we sought all the way;

Now time is upon us with only a moment to spare,

So seek with your heart for this glory to share.

.

Now hope for tomorrow and do while you can,

For this place of perfection is the paradise plan;

Fear not and want not and don't ask to have,

But believe in the right God and in this place he'll save.

.

Signed,

The price of paradise.
