

We know that God is the only one, who is good,

Though we still try our hardest as we think we should;

It seems a funny thing to have a thought like this,

As it's something eternal something not to miss.

.

You see goodness is a passion of yearning to be,

Like the God who made us and wants us to see;

Sometimes it's a wonder how it all works out,

That that is a good thing and something not to doubt.

.

It's a good idea to keep people around,

As people need goodness and know when its profound;

We need not worry or concern our poor hearts,

For goodness leads mercy into all the troubled parts.

.

Goodness comes in many forms and I would like you to think,

Like love or our food even the water that we drink;

In simple acts of kindness and good deeds towards others,

Goodness is found in the hearts of our sisters and brothers.

.

Goodness is great and can be found in us all,

When downhearted or troubled or when we feel small;

Its best to understand that God is mighty when weak,

And his goodness comes upon us at that time we seek.

.

Goodness, how lovely, how perfectly sweet,

The devil all bound in his ways of deceit,

Surely goodness shall follow us all the days of our life,

And we shall dwell in the house of the lord and stay out of strife.

.

Signed,

He really is good.
